

## Junkyard Sports (Paperback)

Filesize: 6.05 MB

### **Reviews**

*It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.*  
(Dr. Kayden Gerlach)

JUNKYARD SPORTS (PAPERBACK)

Human Kinetics Publishers, United States, 2004. Paperback. Condition: New. Language: English. Brand new Book. Junkyard Sports has these and many more features: -More than 75 demonstration games are included.-Endless variations of six major team sports can be played by almost anyone, anywhere, with just about anything.-Games are easy to implement and use low-cost or no-cost "found" materials for equipment.-Games build physical, social, and mental skills, including endurance, teamwork, and sensitivity to others. Junkyard Sports in physical terms looks like any other paperback book. But in reality it is a high-octane starter kit, fueling physical activity, creativity, and fun in ways that sports have never been played before.Teachers and recreation leaders who are looking to get away from the "same-old same-old" in their approach to games and sport will find Junkyard Sports a valuable tool. Part of that value comes from the more than 75 sport-specific demonstration games that Junkyard Sports provides. A demonstration game is a starting point for teachers and students--it provides not only a complete game description but also ideas for spawning new games from the original. These demonstration games pave the way for an exciting, nontraditional approach to a sport, and they also engender creativity, ingenuity, community, leadership skills, and other social skills as teachers and students consider further innovations to the sports. The beauty of junkyard sports is that they work in any environment, with any group. They are fresh because they are ever-changing as their rules, equipment, and environments are adapted. They are also budget-friendly because they call for found or nontraditional equipment--brooms, rolled-up socks, beach balls, whatever is around and not nailed down. They are also easy to implement--a brand new activity can be under way in five minutes or less. Part I introduces junkyard sports, defining the concept and exploring some of the...
